

## **“BUILDING THE KINGDOM OF GOD”**

### **PASTOR TIMOTHY SHAROD STARKS**

The Reverend Doctor Timothy S. Starks is a colossal voice for the uncharted and approaching times. He is a generational leader and messenger with a prolific sound cultivated to the systemized Kingdom of God. He served as an ardent musician for 25 years and is now consecrated for kingdom building to reconvene a people back to God. He is the youngest son to Pastor Willie R. Starks and Evangelist Charlotte Starks from Atlanta, Georgia and spent the majority of his life living next door to the church.

He is the Pastor of The Mount Nebo Church in Pike County, Georgia. As a visionary he has done so much, in 2018 Pastor led Mount Nebo by faith in purchasing 7.44 acres of land for \$170,000 to secure its future. By his decree of God’s word, in one year the land price quadrupled its value and became return investment establishing security for the church’s future. During the pandemic for 5 months straight Pastor established and led the “Kings Table Tour” all over the state of Georgia feeding over 30,000 plus families. The King’s table tour traveled to over 15 cities distributing to over 30 communities, partnering with over 100 state churches, county district commissioners and businesses distributing over 51,000 plus boxes of prepackaged produce.

As an uncommon pastor, he is characterized as an old man in a young man’s body--gifted to reconnect the gaps in tradition with transformation and bring Kingdom liberation to an unbalanced society. His experiences have carpentered his anomalous call to the ministry of kingdom building and sharpened his unique ability to tie cultures, generations and denominations with a transcendent kingdom language called the gospel.

Although he has achieved many great accomplishments, he holds four college degrees: Bachelor of Arts Degree in Religious Studies, Master of Arts in Leadership, Master of Arts in Religious Studies, and a Doctorate in Practical Theology. He is accredited in Clinical Pastoral Education (CPE) for Chaplaincy, and he is enrolled for his Doctor of Ministry degree.

In addition to pastoring locally, he carries a prophetic voice globally. He is sought-after as a Motivational and Leadership speaker. In his personal life and in his ministry, he exemplifies an essence of leadership beyond his age and above his accomplishments. Distinguished as a gentleman, Pastor Starks is a servant, caregiver, community leader, humanitarian, kingdom man and visionary. Pastor is married to his songbird from the windy city Elder Charlene Rose Starks and cares for his retired parents.
